

RENTERS: Advocate for change!

You can help improve landlord-tenant laws in Washington state! Legislators and city councilmembers tell us that renters' real life experiences and stories help them make better laws. Speak up and share your story to support laws that better protect renters.

A few ways you can get involved...

- **Call the Washington State Legislative Hotline: 1.800.562.6000**
Just provide your name, address and a message for your senator and two representatives about your questions or concerns.
- **Write a letter:** Describe your experiences and how the laws can be improved for renters.
- **Testify in a legislative hearing:** Come share your experiences or opinions at a state or city hearing.

Solid Ground Tenant Services

is here to support you.

We would be happy to...

- Meet with you to draft a letter to send to your lawmakers.
- Help you prepare testimony for an upcoming hearing or public meeting.
- Provide more information about current bills and legislative issues.
