**Eggs**

**Scrambled**
Crack eggs in a mixing bowl with black pepper and garlic powder, and scramble together with a whisk or fork. Add 1 teaspoon of water for each egg and continue whisking. Pour into a greased pan and cook for 1-2 minutes. Use a spatula to push the eggs into the center of the pan until fully cooked.

**Boiled**
Place eggs in water, bring to a boil, then remove from heat. Place a lid on the pot and let it stand for 12 minutes. Drain and run under cool water. Peel when cool.

**Poached**
Add water and 2 teaspoons of white vinegar to a pot and bring to a simmer. Crack each egg into a cup and slide into the water. Cook 2-3 minutes for slightly runny yolks. Use a slotted spoon to remove.

**Microwaved**
Beat an egg with a little milk, pour into a microwave-safe mug, and heat for 1 minute.

**Omelet**
Follow instructions for preparing scrambled eggs, but after pouring it evenly into the pan, let it cook until there’s no liquid left. Flip the egg and cook for a few seconds. Add fillings, then fold in half and cook for another minute or so.
