

2026 Sponsorship Event Suite

In King County, thousands of families face impossible tradeoffs: rent vs. groceries, medicine vs. transportation. When they turn to Solid Ground, they find more than a safety net – they find a partner for stability and opportunity, housing support, healthy food, access to essential benefits, and reliable transportation.

CREATING SOLID GROUND FOR ALL

Your sponsorship powers this work for 65,000+ neighbors each year – and delivers real value to your company:

- **Community impact, at scale:** Expand access to housing, food, transportation, and benefits for families across our region.
- **Brand alignment with purpose:** Stand with a trusted leader in anti-poverty work and signal your commitment to equity and opportunity.
- **Employee engagement that matters:** Activate volunteer days, table captains, and team experiences that build culture and pride.
- **Storytelling & visibility:** Year-round recognition across our event suite and channels – plus authentic impact stories your brand can share.
- **Clear ROI & reporting:** Post-event metrics and impact highlights you can take back to stakeholders.

Join us to create solid ground for our community, and pathways beyond poverty that last.

You're in good company!

Our Solid Ground community includes:

- Nearly 25,000 monthly website visitors
